SACHI A. HAMAI  
EXECUTIVE OFFICER

Dear Supervisors:

### **ISSUANCE AND SALE OF LOS ANGELES UNIFIED SCHOOL DISTRICT GENERAL OBLIGATION BONDS, ELECTION OF 2004 (MEASURE R) AND ELECTION OF 2005 (MEASURE Y) (ALL DISTRICTS) (3 VOTES)**

#### **SUBJECT**

The governing board of the Los Angeles Unified School District (the "District") has requested that the County issue general obligation bonds on its behalf in an aggregate principal amount not to exceed \$677,970,000. The bonds were authorized by a vote of the qualified electors of the District and will be issued to finance various capital projects. Repayment of the bonds will be funded from the proceeds of ad valorem taxes levied on all taxable property within the District.

#### **IT IS RECOMMENDED THAT THE BOARD:**

Adopt the resolution authorizing the issuance and sale of the Los Angeles Unified School District (Los Angeles County, California) General Obligation Bonds, Election of 2004 (Measure R) and Election of 2005 (Measure Y), in an aggregate principal amount not to exceed \$677,970,000.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

On March 2, 2004 and November 8, 2005, voters residing in the District approved ballot measures authorizing the District to issue up to \$3.87 billion of Measure R and \$3.985 billion of Measure Y general obligation bonds, respectively, to fund various capital improvements. The governing board of the District adopted a resolution on April 8, 2014, and determined that the District needs to borrow funds in an aggregate principal amount not to exceed \$235,205,000 (Measure R) and \$442,765,000 (Measure Y) from the 2004 and 2005 elections, respectively. The issuance of bonds for Measures R and Y, or any combination thereof, shall not exceed \$677,970,000. This amount represents the total

remaining authorization for these two bond measures.

Based on the most current financing plan, the District intends to issue a combined par amount of Measure R and Measure Y bonds of approximately \$188,000,000. The actual par amount of the Measure R and Measure Y bonds to be issued will be determined by the District at the time of pricing, which is currently scheduled for July 15, 2014. Pursuant to the District resolution, a significant portion of the proceeds from the sale of the bonds will be used to finance the cost of acquiring portable personal computing devices, developing software, and related facility improvements to accommodate the use of such devices.

Pursuant to Section 15100 et seq. of the California Education Code, the Board of Supervisors is responsible for offering the District's bonds for sale. The bonds are to be issued in the name and on behalf of the District by the County upon receipt of the District's resolution requesting such borrowing.

### **Implementation of Strategic Plan Goals**

This action supports the County's Strategic Plan Goal #1: Operational Effectiveness/Fiscal Sustainability through collaborative actions among County departments and other governmental jurisdictions to provide capital investment in public school infrastructure within the County.

### **FISCAL IMPACT/FINANCING**

There will be no fiscal impact to the County budget.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The resolution provides for the issuance of bonds at an interest rate not to exceed eight percent (8%) per annum. The final structure of the bonds will be determined at the time of pricing to achieve the lowest cost of financing within the tax levy limits of the proposition. The County will annually levy and collect ad valorem taxes for the repayment of the bonds on behalf of the District.

The bonds will be sold through a negotiated offering with participation by the Treasurer and Tax Collector in the pricing of the bonds. The District has selected Raymond James & Associates as the senior managing underwriter, and the firm of Sidley Austin LLP as bond counsel. The Treasurer and Tax Collector will appoint U.S. Bank National Association as paying agent.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Not applicable.

### **CONCLUSION**

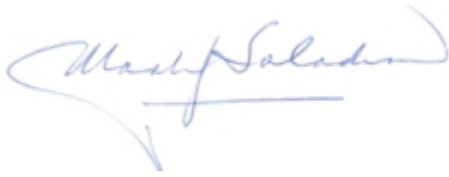

Upon approval, it is requested that the Executive Officer-Clerk of the Board of Supervisors return two originally executed copies of the adopted resolution to the Treasurer and Tax Collector (Office of Public Finance).

The Honorable Board of Supervisors

Bond Insurance.** The Financial Advisor (defined below), in cooperation with the County Treasurer and the District, is hereby authorized to solicit proposals from one or more municipal bond insurers, and, if the County Treasurer and the District determine it is in the best interests of the District, to arrange for the issuance of a policy of municipal bond insurance for one or more maturities of the Bonds, or portions thereof, and to execute and deliver an insurance commitment and all other documents necessary in connection therewith.

**SECTION 9. Payment.**

(a) **Principal.** The principal of the Bonds shall be payable in lawful money of the United States of America to the person whose name appears on the bond registration books of the Paying Agent (as described in Section 11(d) hereof) as the registered owner thereof, upon the surrender thereof at the principal corporate trust office of the Paying Agent.

(b) **Interest; Record Date.** The interest on the Bonds shall be payable in lawful money of the United States of America to the Owner thereof as of the close of business on the Record Date, whether or not such day is a business day, such interest to be paid by check mailed on such Interest Payment Date (if a business day, or on the next business day if the Interest Payment Date does not fall on a business day) to such Owner at such Owner's address as it appears on the bond registration books described in Section 11(d) or at such address as the Owner may have filed with the Paying Agent for that purpose except that the payment shall be made in immediately available funds (e.g., by wire transfer) to any Owner of at least one million dollars (\$1,000,000) of outstanding Bonds who shall have requested in writing such method of payment of interest prior to the close of business on the Record Date immediately preceding any Interest Payment Date. So long as Cede & Co. or its registered assigns shall be the Owner of the Bonds, payment shall be made in immediately available funds as provided in Section 12(e) hereof.

(c) **Payment Fund.** Principal and interest due on the Bonds shall be paid from the respective Interest and Sinking Fund of the District for the related series of Bonds as provided in Section 15146 of the Education Code. No part of any fund of the County is pledged or obligated to the payment of the Bonds.

## **SECTION 10. Redemption Provisions.**

(a) Optional Redemption. The Bonds of each series or subseries shall be subject to redemption, at the option of the District, on the dates and terms as shall be designated in the Official Notice of Sale or the Bond Purchase Agreement relating to such Bonds, as applicable. The Official Notice of Sale or the Bond Purchase Agreement, as applicable, may provide that a portion of the Bonds shall not be subject to optional redemption.

If the Bonds of a series or subseries shall be subject to optional redemption and less than all of the Bonds of such series or subseries are called for such redemption, such Bonds shall be redeemed in inverse order of maturities of such series or as otherwise directed by the District, and if less than all of the Bonds of any given maturity of a series or subseries are called for redemption, the portions of such Bonds of a given maturity to be redeemed shall be determined by lot.

(b) Mandatory Sinking Fund Redemption. The Bonds, if any, which are designated in the Official Notice of Sale or the Bond Purchase Agreement, as applicable, as Term Bonds shall also be subject to redemption prior to their stated maturity dates, without a redemption premium, in part by lot, from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in the Official Notice of Sale or the Bond Purchase Agreement, as applicable. The principal amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately by the amount of any Bonds of that maturity optionally redeemed prior to the mandatory sinking fund payment date. The Official Notice of Sale or the Bond Purchase Agreement, as applicable, may provide that Bonds sold thereunder shall not be subject to mandatory sinking fund redemption.

(c) Notice of Redemption. Notice of redemption of any Bonds shall be given by the Paying Agent upon the written request of the District given at least sixty (60) days prior to the date designated for such redemption. Notice of any redemption of Bonds shall be mailed postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption date (i) by first class mail to the respective Owners thereof at the addresses appearing on the bond registration books described in Section 11(d) and (ii) as may be further required in accordance with any Continuing Disclosure Certificate of the District relating to the Bonds.

Each notice of redemption shall contain all of the following information:

- (i) the date of such notice;
- (ii) the name of the Bonds to be redeemed and the date of issue of the Bonds to be redeemed;
- (iii) the redemption date;
- (iv) the redemption price;
- (v) the maturity dates of the Bonds to be redeemed;

(vi) (if less than all of the Bonds of any maturity of a series are to be redeemed) the distinctive numbers of the Bonds of each maturity of such series to be redeemed;

(vii) (in the case of Bonds redeemed in part only) the respective portions of the principal amount of the Bonds of each maturity to be redeemed;

(viii) the CUSIP number, if any, of each maturity of Bonds to be redeemed;

(ix) a statement that such Bonds must be surrendered by the Owners at the principal corporate trust office of the Paying Agent, or at such other place or places designated by the Paying Agent;

(x) notice that further interest on such Bonds will not accrue after the designated redemption date; and

(xi) in the case of a conditional notice, that such notice is conditioned upon certain circumstances and the manner of rescinding such conditional notice.

(d) Effect of Notice. A certificate of the Paying Agent or the District that notice of call and redemption has been given to Owners as herein provided shall be conclusive as against all parties. The actual receipt by the Owner of any Bond of notice of redemption shall not be a condition precedent to redemption, and failure to receive such notice, or any defect in the notice given, shall not affect the validity of the proceedings for the redemption of such Bonds or the cessation of interest on the date fixed for redemption.

When notice of redemption has been given substantially as provided for herein, and when the redemption price of the Bonds called for redemption is set aside for the purpose as described in subsection (e) of this Section, the Bonds designated for redemption shall become due and payable on the specified redemption date and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Bonds at the place specified in the notice of redemption, such Bonds shall be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Bonds so called for redemption after such redemption date shall look for the payment of such Bonds and the redemption premium thereon, if any, only to the Interest and Sinking Fund or the escrow fund established for such purpose. All Bonds redeemed shall be cancelled forthwith by the Paying Agent and shall not be reissued.

Any notice of optional redemption of the Bonds delivered in accordance with this Section 10 may be conditional and if any condition stated in the notice of redemption shall not have been satisfied on or prior to the redemption date, said notice (i) shall be of no force and effect, (ii) the District shall not be required to redeem such Bonds; (iii) the redemption shall not be made and (iv) the Paying Agent shall within a reasonable time thereafter give notice to the persons and in the manner in which the conditional notice of redemption was given, that such condition or conditions were not met and that the redemption was cancelled.

The District may rescind any optional redemption and notice thereof for any reason on any date prior to or on the date fixed for redemption by causing written notice of the rescission to be given to the Owners of the Bonds so called for redemption. Notice of rescission of

redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the Owner of any Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.

(e) Redemption Fund. Prior to or on the redemption date of any Bonds there shall be available in the escrow fund held in trust for such purpose as provided by law, monies for the purpose and sufficient to redeem, at the premiums payable as set forth in the related Official Notice of Sale or Bond Purchase Agreement, the Bonds designated in any notice of redemption. Such monies so set aside in any such escrow fund shall be applied on or after the redemption date solely for payment of principal of and premium, if any, on the Bonds to be redeemed upon presentation and surrender of such Bonds, provided that all monies in the escrow fund shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the Interest and Sinking Fund, unless otherwise provided for to be paid from such escrow. If, after all of the Bonds have been redeemed and cancelled or paid and cancelled, there are monies remaining in the Interest and Sinking Fund or otherwise held in trust for the payment of the redemption price of the Bonds, those monies shall be held in or returned or transferred to the Interest and Sinking Fund for payment of any outstanding bonds of the District payable from that fund; provided, however, that if those monies are part of the proceeds of bonds of the District, the monies shall be transferred to the applicable Interest and Sinking Fund. If no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

(f) Defeasance of Bonds. If at any time the District shall pay or cause to be paid or there shall otherwise be paid to the Owners of any or all outstanding Bonds all of the principal, interest and premium, if any, represented by such Bonds at the times and in the manner provided herein and in the Bonds, or as provided in the following paragraph, or as otherwise provided by law consistent herewith, then such Owners shall cease to be entitled to the obligation of the District as provided in Section 15 hereof, and such obligation and all agreements and covenants of the District and of the County to such Owners hereunder and under the Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal, interest and premium, if any, represented by the Bonds, but only out of monies on deposit in the escrow fund held in trust for such payment; and provided further, however, that the provisions of subsection (g) hereof shall apply in all events.

All or any portion of the outstanding maturities of the Bonds may be defeased prior to maturity in the following ways:

(i) by irrevocably depositing with the Paying Agent an amount of cash that, together with amounts then on deposit in the applicable Interest and Sinking Fund, is sufficient to pay all Bonds outstanding and designated for defeasance, including all principal of, premium, if any, and interest; or

(ii) by irrevocably depositing with the Paying Agent Defeasance Securities, together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon and monies then on deposit in the applicable Interest and Sinking Fund

together with the interest to accrue thereon, be fully sufficient to pay and discharge all Bonds outstanding and designated for defeasance (including all principal, prepayment premiums, if any, and interest thereon) at or before their maturity date.

In the event that Bonds are being defeased pursuant to paragraph (ii) of subsection (f) of this Section, the appointment of the independent certified public accountant referred to therein and any escrow agent selected in connection with said defeasance shall both be subject to County approval.

(g) Unclaimed Monies. Any money held in any fund created pursuant to this Resolution, or by the Paying Agent in trust, for the payment of the principal of, premium, if any, or interest on the Bonds and remaining unclaimed for one year after the principal of all of the Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to the Interest and Sinking Fund for payment of any outstanding bonds of the District payable from that fund; or, if no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

#### **SECTION 11. Paying Agent and Disbursement Agent.**

(a) Defined. As used in this Resolution and in the Bonds, "Paying Agent" shall mean the County Treasurer or any bank, trust company, national banking association or other financial institution appointed as authenticating agent, bond registrar, transfer agent and paying agent for the Bonds in the manner provided in this Resolution.

(b) Appointment; Payment of Fees and Expenses. This Board of Supervisors hereby consents to and confirms the appointment of the County Treasurer to act as initial Paying Agent for the Bonds under this Resolution. All fees and expenses of the Paying Agent shall be the sole responsibility of the District, and to the extent not paid from the proceeds of sale of the Bonds, or from the Interest and Sinking Fund, insofar as permitted by law, including specifically by Section 15232 of the Education Code and insofar as money in the Interest and Sinking Fund is insufficient therefor, such fees and expenses shall be paid by the District.

(c) Resignation, Removal and Replacement of Paying Agent. The Paying Agent initially appointed or any successor Paying Agent may resign from service as Paying Agent and may be removed as provided in the Paying Agent's service agreement with the District and the County; provided that any successor shall be appointed with the consent of the County. Without further action by the District, if at any time the Paying Agent shall resign or be removed and no successor appointed by the District, the County Treasurer shall appoint a successor Paying Agent without further action by the District, which shall be a bank or trust company doing business in and having a corporate trust office in the County of Los Angeles, California, with at least \$100,000,000 in net assets.

(d) Registration Books. The Paying Agent will keep or cause to be kept at its principal corporate trust office sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the District, and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register

or transfer or cause to be registered or transferred on the books, Bonds as provided in Section 13 hereof. The Paying Agent shall keep accurate records of all funds administered by it and of all Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the County in a format mutually agreeable to the Paying Agent and the County.

(e) Disbursement Agent. For any period of time in which the County Treasurer is not acting in the capacity of Paying Agent, the County Treasurer shall serve as disbursement agent hereunder and shall transfer monies from the Interest and Sinking Fund to the Paying Agent in order to make payments of principal of and interest on the Bonds.

**SECTION 12. Transfer Under Book-Entry System; Discontinuation of Book-Entry System.**

(a) Notwithstanding anything to the contrary contained in this Resolution, all payments with respect to the principal of, premium, if any, and interest on any Bond registered as of each Record Date in the name of Cede & Co. shall be made by wire transfer of same-day funds to the account of Cede & Co. on the payment date for the Bonds at the address indicated on the Record Date for Cede & Co. in the Registration Books or as otherwise provided in the Letter of Representations.

In connection with any notice or other communication to be provided to Owners of Book-Entry Bonds pursuant to this Resolution by the District or the Paying Agent with respect to any consent or other action to be taken by Owners, the District or the Paying Agent, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

Except as may be otherwise provided by the related Official Notice of Sale or Bond Purchase Agreement, the Bonds shall be initially issued in the form of separate single fully registered Bonds in the amount of each separate stated maturity of each series and subseries of Bonds; provided, however, that if different CUSIP numbers are assigned to a Bond of a subseries or type of Bond within a subseries maturing in a single year or, if Bonds of a subseries or type of Bond maturing in a single year are issued with different interest rates, additional Bond certificates shall be prepared for each maturity. Unless otherwise provided in the related Official Notice of Sale or Bond Purchase Agreement, upon initial issuance, the ownership of such Bonds shall be registered in the Registration Books in the name of Cede & Co., as nominee of DTC. The Paying Agent and the District may treat DTC (or its nominee) as the sole and exclusive Owner of the Bonds registered in its name for the purposes of payment of the principal of, premium, if any, and interest, if any, on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Owners of Bonds under this Resolution, registering the transfer of Bonds, obtaining any consent or other action to be taken by Owners of Bonds if any, and for all other purposes whatsoever, and the Paying Agent, the County and the District shall not be affected by any notice to the contrary. The Paying Agent, the County and the District shall not have any responsibility or obligation to any participant, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any participant, or any other person which is not shown on the Registration Books as being an Owner, with respect to the accuracy of any records maintained by DTC or any participant; the

payment by DTC or any participant of any amount in respect of the principal of, premium, if any, and interest on the Bonds; any notice which is permitted or required to be given to Owners of Bonds under this Resolution; the selection by DTC or any participant of any person to receive payment in the event of a partial redemption of the Bonds; or any consent given or other action taken by DTC as Owner of Bonds. The Paying Agent shall pay all principal of, premium, if any, and interest on the Bonds only to DTC, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to the principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. Except under the conditions set forth under Section 13 hereof no person other than DTC shall receive an executed Bond for each separate stated maturity of each series and subseries of Bonds, if any, or, as provided herein, portion thereof. Upon delivery by DTC to the Paying Agent of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions herein with respect to record dates, the term "Cede & Co." in this Resolution shall refer to such new nominee of DTC.

(b) The Bonds shall be initially issued and registered as provided in Section 6. Registered ownership of such Bonds, or any portion thereof, may not thereafter be transferred except:

(i) To any successor of Cede & Co., as nominee of DTC, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this section (a "substitute depository"); provided, that any successor of Cede & Co., as nominee of DTC or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the District or the County, upon (1) the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the County (upon consultation with the District) to substitute another depository for DTC (or its successor) because DTC or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of DTC or its successor (or substitute depository or its successor) from its functions as depository, or (2) a determination by the County (upon consultation with the District) to remove DTC or its successor (or any substitute depository or its successor) from its functions as depository.

(c) In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (b) of this section, upon receipt of the outstanding Bonds by the Paying Agent, together with a written request of the District or County to the Paying Agent, a new Bond for each Bond so delivered shall be executed and delivered in the aggregate principal amount of such Bond, registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the District or County. In the case of any transfer pursuant

to clause (iii) of subsection (b) of this section, upon receipt of the outstanding Bonds by the Paying Agent together with a written request of the District or County to the Paying Agent, new Bonds shall be executed and delivered in such denominations, numbered in the manner determined by the Paying Agent, and registered in the names of such persons, as are requested in such written request of the District or County, subject to the limitations of Section 6 and the receipt of such a written request of the District or County, and thereafter, the Bonds shall be transferred pursuant to the provisions set forth in Section 13 of this Resolution; provided, that the Paying Agent shall not be required to deliver such new Bonds within a period of less than sixty (60) days after the receipt of any such written request of the District or County.

(d) The County, the District and the Paying Agent shall be entitled to treat the person in whose name any Bond is registered as the owner thereof, notwithstanding any notice to the contrary received by the County, the District or the Paying Agent; and the County, the District and the Paying Agent shall have no responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Bonds, and neither the County, the District or the Paying Agent shall have any responsibility or obligation, legal or otherwise, to the beneficial owners or to any other party, including DTC or its successor (or substitute depository or its successor), except for the Owner of any Bonds.

(e) So long as the outstanding Bonds are registered in the name of Cede & Co. or its registered assigns, the District, the County and the Paying Agent shall cooperate with Cede & Co., as sole Owner, or its registered assigns in effecting payment of the principal of and interest on the Bonds by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available (*e.g.*, by wire transfer) on the date they are due.

### **SECTION 13. Transfer and Exchange.**

(a) Transfer. Following the termination or removal of the depository pursuant to Section 12 hereof, any Bond may, in accordance with its terms, be transferred, upon the books required to be kept pursuant to the provisions of Section 11(d) hereof, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Paying Agent.

Whenever any Bond or Bonds shall be surrendered for transfer, the designated County officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 6, a new Bond or Bonds of the same series, subseries, maturity, interest payment mode and interest rate for a like aggregate principal amount. The Paying Agent may require the payment by any Owner of Bonds requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

The Paying Agent shall not be obligated to make any transfer or exchange of any Bond pursuant to this Section during the period from (1) the close of business on the applicable Record Date to and including the succeeding Interest Payment Date, or (2) the period established by the Paying Agent for the selection of Bonds for redemption, in whole or in part, to and including the designated redemption date or with respect to any Bonds selected for redemption as set forth in the related Official Notice of Sale or Bond Purchase Agreement.

(b) Exchange. The Bonds may be exchanged for Bonds of other authorized denominations of the same series, subseries, term, maturity and interest payment mode and interest rate, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed request for exchange in a form approved by the Paying Agent.

Whenever any Bond or Bonds shall be surrendered for exchange, the designated County officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 6, a new Bond or Bonds of the same series, subseries, term, maturity, interest payment mode and interest rate for a like aggregate principal amount. The Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

No exchange of any Bonds shall be required to be made by the Paying Agent during the period from (1) the close of business on the applicable Record Date to and including the succeeding interest date, or (2) the close of business on the date on which notice is given that such Bond has been selected for redemption in whole or in part, to and including the designated redemption date.

#### **SECTION 14. Limitation on Transfer.**

(a) Notwithstanding anything herein to the contrary, if a sale of a series of Bonds is to one or more Direct Purchasers, ownership of a Bond of such series may be transferred (i) only to an individual, corporation, limited liability company, firm, association, partnership, trust, or other legal entity or group of entities, including a governmental entity or any agency or political subdivision thereof (a "Person") that is either (A) a Qualified Institutional Buyer that is purchasing such Bond for not more than one account for investment purposes and not with a view to distributing such Bond, or (B) an Institutional Accredited Investor that is purchasing such Bond for not more than one account for investment purposes and not with a view to distributing such Bond, and (ii) only if such Qualified Institutional Buyer or Institutional Accredited Investor delivers to the District and the Paying Agent a completed and duly executed Investor Letter substantially in the form attached hereto as Exhibit E. The District and the Paying Agent may rely conclusively upon the information contained in any Investor Letter.

(b) No Owner of a Bond of such a series shall transfer such Bond to any Person that such Owner does not reasonably believe is either (i) a Qualified Institutional Buyer that is purchasing such Bond for not more than one account for investment purposes and not with a view to distributing such Bond, or (ii) an Institutional Accredited Investor that is purchasing such Bond for not more than one account for investment purposes and not with a view to distributing such Bond. Any Owner effecting a transfer of such a Bond shall, and does hereby agree to, indemnify the District and the Paying Agent against any liability that may result if such transfer is not made in accordance with this Section. The transferor of ownership of such a Bond agrees to provide notice to any proposed transferee of such Bond of the restrictions on transfer described herein.

(c) Each Person to whom ownership of such a Bond is transferred pursuant hereto shall be deemed by the acceptance of such ownership to have agreed to be bound by the provisions of this Section.

(d) The Bonds of such a series shall bear a legend describing or referencing the restrictions on transferability set forth in subsections (a) and (b) of this Section, as follows:

THIS BOND IS SUBJECT TO RESTRICTIONS ON TRANSFERABILITY AND MAY ONLY BE TRANSFERRED IN ACCORDANCE WITH THE PROVISIONS OF SECTION 14 OF THE RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES. NO TRANSFER, SALE OR OTHER DISPOSITION OF THIS BOND MAY BE MADE EXCEPT TO A PERSON THAT IS A QUALIFIED INSTITUTIONAL BUYER OR AN INSTITUTIONAL ACCREDITED INVESTOR.

**SECTION 15. Security for the Bonds.** The money for the payment of principal, premium, if any, and interest with respect to the Bonds shall be raised by taxation upon all taxable property in the District and provision shall be made for the levy and collection of such taxes in the manner provided by law and for such payment out of the applicable Interest and Sinking Fund, and the Board of Supervisors of the County hereby covenants to levy *ad valorem* taxes for the payment of the Bonds on all property in the District subject to taxation by the District without limitation as to rate or amount (except certain personal property which is taxable at limited rates).

**SECTION 16. Sale of Bonds.** The Bonds shall be sold at a competitive sale and under conditions set forth in the Official Notice of Sale or by a negotiated sale pursuant to the Bond Purchase Agreement, if determined by the Chief Financial Officer of the District, in consultation with the County Treasurer and Tamalpais Advisors, Inc. – KNN Public Finance, A Joint Venture, the Financial Advisor to the District (the "Financial Advisor") to be in the best interest of the District.

The form of Notice of Intention to Sell Bonds (the "Notice of Intention") attached hereto as Exhibit C is hereby approved and authorized to be published in accordance with Section 53692 of the State Government Code. The form and distribution of the Official Notice of Sale substantially in the form attached hereto as Exhibit B are hereby approved in connection with the offering and sale of the Bonds. The actions of the Financial Advisor, on behalf of the District, in distributing the Official Notice of Sale, to such municipal bond broker-dealers, to such banking institutions and to such other persons as may be interested in purchasing the Bonds therein offered for sale, are hereby approved. The County Treasurer, or an authorized deputy or delegate of the County Treasurer, is hereby authorized and directed on behalf of the District to cause the sale of the Bonds pursuant to the Official Notice of Sale, with such changes as the County Treasurer in consultation with the Chief Financial Officer (or the Interim Chief Financial Officer, if applicable), the Controller of the District (or the Interim Controller, if applicable), or any other Authorized District Officer shall deem necessary or desirable to implement the sale of the Bonds consistent with the terms of this resolution.

The County Treasurer in consultation with an Authorized District Officer, is hereby authorized to accept the highest responsible bids for the Bonds producing the lowest true-interest cost to the District using the formula described in the Official Notice of Sale; provided, that (i) the true interest cost for the Bonds of any series shall not be in excess of 8.00% per annum; (ii) the maximum interest rate (coupon) on the Bonds of any series shall not be in excess of 8.00% per annum; and (iii) the Bonds shall otherwise conform to the limitations specified herein. In the event two or more bids setting forth identical interest costs using the formula described in the Official Notice of Sale are received, the first bid submitted, as determined by reference to the time displayed on the electronic bidding site, shall be deemed to be the winning bid. The Authorized District Officer may, in his or her discretion, reject any and all bids and waive any irregularity or informality in any bid. The County Treasurer, in consultation with the Chief Financial Officer of the District, shall award the Bonds to the successful bidder(s) or reject all bids not later than twenty-six (26) hours after the expiration of the time prescribed for the receipt of proposals unless such time of award is waived by the successful bidder(s).

Given the uncertainties that may affect the appropriate method of sale of a given series of Bonds, the County hereby authorizes the sale of each series of Bonds either (a) by a negotiated sale pursuant to one or more Bond Purchase Agreements to be entered into with (i) one or more Underwriters selected as herein provided or (ii) one or more Direct Purchasers, or (b) by public sale to the responsible bidders who make the lowest interest cost bids pursuant to one or more Official Notices of Sale and computed in the manner set forth in said Official Notice of Sale, or any combination thereof, as shall be determined by the Chief Financial Officer to be in best interest of the District considering, among other factors, the timing of each sale, expected interest cost, debt structure flexibility and the ability to work with Underwriters or Placement Agents, as applicable, familiar with the District, and consistent with the District's Debt Management Policy then in effect (the "Debt Management Policy"); provided, however, that, in each case, (1) the interest rate on any Bond shall not be in excess of 8.00% per annum, (2) the true interest cost for each applicable series of Bonds shall not be in excess of 8.00%, (3) the underwriters' or placement agents' compensation, as applicable, shall not exceed 1.00% and 1.00%, respectively, of the principal amount of the corresponding series of Bonds, and (4) if a sale of a series of Bonds is to one or more Direct Purchasers, the purchasers' discount or commitment fee shall not be in excess of 1.00% of the principal amount of the corresponding series of Bonds.

**SECTION 17. Bond Purchase Agreement.** The form of Bond Purchase Agreement, attached hereto as Exhibit D, is hereby approved. The County Treasurer is hereby authorized, for and in the name of the County, to execute and deliver one or more Bond Purchase Agreements in the form presented to this meeting, with such changes, insertions and omissions as the County Treasurer executing the same may require or approve, including such changes, insertions and omissions as are necessary to reflect that a sale of a series of Bonds is to one or more Direct Purchasers rather than to one or more Underwriters, such requirement or approval to be conclusively evidenced by the execution of the applicable Bond Purchase Agreement by the County Treasurer; provided that the terms of the applicable series of Bonds and the sale thereof shall conform in all respects with the limitations contained in this Resolution. In connection with each negotiated sale of a series of Bonds to one or more Underwriters or one or more District Purchasers, such Underwriters of such Bonds or one or more Placement Agents for such Bonds, as applicable, shall be selected in accordance with the Debt Management Policy. In connection with each negotiated sale of Bonds, the Chief Financial Officer shall designate which

Underwriters shall act as senior manager(s), co-senior manager(s) and co-manager(s) in accordance with the Debt Management Policy.

**SECTION 18. Placement Agent Agreement.** The form of Placement Agent Agreement, attached hereto as Exhibit F, is hereby approved. The County Treasurer is hereby authorized and directed, for and in the name of the County, to execute and deliver one or more Placement Agent Agreements in the form presented to this meeting, with such changes, insertions and omissions as the County Treasurer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution of the applicable Placement Agent Agreement by the County Treasurer; provided that the terms of the applicable series of Bonds and the sale thereof shall conform in all respects with the limitations contained in this Resolution.

**SECTION 19. Official Notice of Sale.** The form of Official Notice of Sale, attached hereto as Exhibit B, is hereby approved, and the County Treasurer is hereby authorized and directed to cause one or more Official Notices of Sale to be completed, upon consultation with the District and the Financial Advisor for the applicable series of Bonds, by inserting therein the maturity schedules for such series of Bonds, and making such other changes, insertions and omissions as deemed necessary. The County Treasurer is hereby authorized and directed to execute each Official Notice of Sale in its final form, and any amendment or supplement thereto, for and in the name of the County, and the use of the Official Notice of Sale in connection with the offering and public sale of one or more series of Bonds is hereby authorized and approved. Bids for each series of Bonds shall be received by the County on such date as shall be determined by an Authorized County Officer, at the hour and place designated in the applicable Official Notice of Sale.

The Authorized County Officer and the Authorized District Officer shall entertain bids for each series of Bonds sold by public sale, and to accept the lowest true interest cost bid and, if such true interest cost is acceptable to such Authorize County Officer and Authorized District Officer. The County Treasurer is hereby authorized for and on behalf of the County to award the sale of such series of Bonds by executing a Certificate of Award, in substantially the form attached hereto as Exhibit G, naming the successful bidder and determining all remaining terms of such series of Bonds, and such execution shall constitute conclusive evidence of the approval of the terms of such series of Bonds and the sale thereof; provided that the terms of such series of Bonds and the sale thereof shall conform in all respects with the limitations contained in this Resolution. If no bid is acceptable, the Authorized District Officer shall request the County to reject all bids and to re-bid the applicable series of Bonds or, if the Chief Financial Officer determines it in the best interest of the District, to request the County to sell such series of Bonds by negotiated sale as permitted by law, upon terms and conditions and otherwise in conformity with the limitations contained in the Resolutions.

**SECTION 20. Notice of Intention to Sell Bonds.** The form of Notice of Intention to Sell Bonds, attached hereto as Exhibit C, is hereby approved, and the County Treasurer is hereby authorized and directed to cause a Notice of Intention to Sell Bonds, in connection with each sale of a series of Bonds by public sale, subject to such changes, insertions and omissions thereto as shall be deemed necessary, to be published in accordance with State law and the Act.

**SECTION 21. Certificate of Award.** The form of Certificate of Award, attached hereto as Exhibit G, is hereby approved, and the County Treasurer, for and on behalf of the County, is hereby authorized and directed to cause a Certificate of Award, in connection with each sale of a series of Bonds by public sale, subject to such changes, insertions and omissions thereto as shall be deemed necessary, to be issued in accordance with State law and the Act.

**SECTION 22. Reserved.**

**SECTION 23. Deposit and Investment of Proceeds.**

(a) The proceeds of sale of the Bonds, exclusive of any premium and accrued interest received, shall be deposited in the County treasury and credited to the building fund of the District (the "Building Fund"). The District shall have sole responsibility that such proceeds be used for the purpose for which the Bonds are being issued. Any premium and accrued interest received shall be deposited upon receipt by the District in the applicable Interest and Sinking Fund of the District within the County treasury.

(b) All funds held by the County Treasurer hereunder on behalf of the District shall be invested by the County Treasurer or its agent in the County Investment Pool, the Local Agency Investment Fund, any investment authorized pursuant to Sections 53601 and 53635 of the State Government Code, or in any Investment Agreement; provided that such agreements comply with the requirements of Section 148 of the Code, to the extent applicable to the related series or subseries of Bonds, and with the requirements of each rating agency then rating the Bonds necessary in order to maintain the then-current rating on the Bonds.

Subject to a determination by the Chief Financial Officer of the District, any Authorized District Officer may request the County Treasurer to invest funds held in the Interest and Sinking Fund of the District and in the Building Fund of the District in specific Investment Agreements. Pursuant to Section 5922 of the Government Code, the Board of Education has found and determined that the Investment Agreements will reduce the amount and duration of interest rate risk with respect to amounts invested pursuant to the Investment Agreements and are designed to reduce the amount or duration of payment, rate, spread or similar risk or result in a lower cost of borrowing when used in combination with the Bonds or enhance the relationship between risk and return with respect to investments of proceeds of the Bonds and funds held to pay the Bonds. Subject to a determination by the Chief Financial Officer of the District, any Authorized Officer may request the County Treasurer to deposit any investment of all or any portion of the Building Fund or the Interest and Sinking Fund of the District pursuant to California Education Code Section 41015 in accordance with the instructions of the Authorized District Officer and California Education Code Section 41016.

(c) Any excess proceeds of the Bonds on deposit in the Building Fund not needed for the authorized purposes set forth herein for which the Bonds are being issued shall be transferred to the applicable Interest and Sinking Fund and applied to the payment of principal of, premium, if any, and interest on the Bonds; provided, however, that when all of the principal and interest on all of the Bonds have been paid, any balance then remaining in said fund shall be transferred to the general fund of the District as permitted and provided for in Section 15234 of the Education Code.

**SECTION 24. Tax Covenant.** The County acknowledges and relies upon the fact that the District has represented and covenanted that it shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on the Tax-Exempt Bonds under Section 103 of the Code, and that it will comply with the requirements of the initial Tax Certificate and each subsequent Tax Certificate of the District with respect to the Bonds comprising Tax-Exempt Bonds, to be entered into by the District as of the respective dates of issuance of the Tax-Exempt Bonds, and further that such representation and covenant shall survive payment in full or defeasance of the Tax-Exempt Bonds.

**SECTION 25. Continuing Disclosure Certificate.** The County acknowledges and relies upon the fact that the District has represented that it shall execute a Continuing Disclosure Certificate containing the initial covenants of the District as shall be necessary to comply with the requirements of Securities and Exchange Commission Rule 15c2-12 ("Rule 15c2-12"), and that the District has covenanted that it will comply with and carry out all of the provisions of any Continuing Disclosure Certificate as shall be necessary to comply with the provisions of Rule 15c2-12. The District shall function as or cause the appointment of a dissemination agent, who shall perform all duties and obligations of the Dissemination Agent as set forth in any Continuing Disclosure Certificate, and the County shall have no responsibilities either for compliance with such Continuing Disclosure Certificate or for the duties of the Dissemination Agent.

**SECTION 26. Professional Services.** In connection with the issuance of the Bonds, Tamalpais Advisors, Inc. – KNN Public Finance, A Joint Venture, has been appointed to serve as the Financial Advisor to the District, Sidley Austin LLP has been appointed to serve as Bond Counsel and Tax Counsel to the District, and Hawkins Delafield & Wood LLP has been appointed to serve as Disclosure Counsel to the District.

**SECTION 27. Limited Responsibility for Official Statement.** Neither the Board of Supervisors nor any officer of the County has prepared or reviewed or will prepare or review the Official Statement of the District describing the Bonds, and this Board of Supervisors and the various officers of the County take no responsibility for the contents or distribution thereof; provided, however, that solely with respect to a section contained or to be contained therein describing the County's current portfolio holdings, and valuation procedures, as they may relate to funds of the District, the County Treasurer is hereby authorized and directed to prepare and review such information for inclusion in the Official Statement and in the preliminary Official Statement, and to certify to the District prior to or upon the issuance of each series of the Bonds that the information contained in such section does not contain any untrue statement of a material

fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they are made, not misleading.

**SECTION 28. Approval of Actions.** The Chairman, the Clerk, the County Auditor-Controller, the County Counsel, and the County Treasurer and the deputies and designees of any of them, are hereby authorized and directed to execute and deliver any and all certificates, representations and agreements, as may be acceptable to County Counsel, including signature certificates, no-litigation certificates, and other certificates proposed to be distributed in connection with each sale of Bonds, necessary and desirable to accomplish the transactions authorized herein.

**SECTION 29. Severability.** In the event any provision of this Resolution shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

[Remainder of Page Intentionally Left Blank]

**SECTION 30. Effective Date.** This resolution shall take effect from and after its adoption.

The foregoing resolution was adopted on the 1<sup>st</sup> day of July, 2014, by the Board of Supervisors of the County of Los Angeles and ex officio the governing body of all other special assessment and taxing districts, agencies and authorities for which the Board so acts.

If the sale is rescheduled, bids will be received at the place set forth above, at a date and time to be determined, and notice of the new sale date, time and terms, if any, will be given through \_\_\_\_\_ or \_\_\_\_\_ as soon as practicable. As an accommodation to bidders, telephone or fax notice of the change and of the new sale date and time will be given to any bidder requesting such notice from the District's Financial Advisor, \_\_\_\_\_ (\_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, CA \_\_\_\_\_; telephone (\_\_\_\_) \_\_\_\_\_ - \_\_\_\_\_, fax (\_\_\_\_) \_\_\_\_\_ - \_\_\_\_\_, Attn: \_\_\_\_\_). Failure of any bidder to receive such supplementary notice shall not affect the legality of the sale.

<sup>\*</sup> Approximate; subject to adjustment.

## TERMS OF THE BONDS

**Important Note:** This notice will be submitted to \_\_\_\_\_ for posting at \_\_\_\_\_'s website and in the Parity bid delivery system. In the event \_\_\_\_\_'s summary of the terms of sale of the Bonds disagrees with this Official Notice in any particulars, the terms of this Official Notice shall control (unless notice of an amendment hereto is given as described above).

**Issue:** The terms of issuance, principal and interest repayment, optional redemption, mandatory redemption, security, tax opinion, and all other information regarding the Bonds and the District are given in the Preliminary Official Statement, dated \_\_\_\_\_, 2014, relating to the Bonds (the "Preliminary Official Statement") which each bidder must have obtained and reviewed prior to bidding for the Bonds. This notice governs only the terms of sale, bidding and closing procedures.

**Maturities:** The Bonds will mature on July 1 in each of the years, and in the approximate amounts, in accordance with the following schedule.

<u>Maturity Date</u> <u>(July 1)</u>	<u>Principal</u> <u>Amount*</u>	<u>Maturity Date</u> <u>(July 1)</u>	<u>Principal</u> <u>Amount*</u>
---	------------------------------------	---	------------------------------------

**Serial Bonds and/or Term Bonds:** The Bonds shall be issued as serial maturities as shown in the table above, unless the bidder requests the creation of one or more term Bonds by combining any two or more consecutive serial maturities. For any term Bond, the amount of principal paid in each year as the mandatory sinking fund payment shall be the amount shown above as maturing in such year. No term bond shall have a mandatory sinking fund payment prior to July 1, 20\_\_.

**Interest Rates:** Interest on the Bonds is payable on January 1 and July 1 of each year, commencing \_\_\_\_\_ 1, 20\_\_. Interest is computed on the basis of a 360-day year of twelve (12) 30-day months, from the date of the Bonds. Each Bond shall bear interest at the specified rate from its date to its stated maturity date, and all Bonds maturing at any one time shall bear the same rate of interest.

Bidders must specify the rate or rates of interest which the Bonds hereby offered for sale shall bear. Bidders will be permitted to bid a rate or rates of interest according to the following:

- (i) Each interest rate must be greater than zero and no interest rate may exceed 8.00% per annum.

---

\* Approximate, subject to adjustment.

- (ii) No interest rate specified is more than \_\_\_\_ percentage points higher than any other interest rate.
- (iii) Each interest rate must be a multiple of 1/8 or 1/20 of 1% per annum.

### TERMS OF SALE

**Best Bid:** The Bonds will be awarded to the responsible bidder submitting the best responsive bid (the "Best Responsive Bid") considering the interest rates specified and the premium offered (not to exceed one percent (1%) of the par value of the Bonds), if any. The Best Responsive Bid will be the bid which represents the lowest true interest cost ("TIC") to the District, computed on the basis of a 360-day year of twelve (12) 30-day months. The TIC is the discount rate which, when compounded semiannually and used to discount all debt service payments on the Bonds back to the date of such Bonds, results in an amount equal to the price bid for the Bonds. In the event that two or more bidders offer bids for the Bonds at the same lowest TIC, the District will determine by lottery which bidder will be awarded the Bonds. For the purpose of calculating the TIC, the mandatory sinking fund payments, if any (see "TERMS OF THE BONDS—Serial Bonds and/or Term Bonds" above), shall be treated as serial maturities in such years. The determination of the bid representing the lowest TIC will be made without regard to any adjustments made or contemplated to be made after the award by the Chief Financial Officer, as described herein under "TERMS OF THE BONDS—Adjustment of Principal Amounts," even if such adjustments have the effect of raising the TIC of the Best Responsive Bid to a level higher than the bid containing the next lowest TIC prior to adjustment.

**Form of Bid:** Each bid must be for not less than all of the Bonds hereby offered for sale. Bids for the Bonds must be for not less than the par value thereof plus such premium (not to exceed one percent (1%) of the par value of the Bonds) as is specified in the bid. No bid will be accepted which contemplates the waiver of any interest or other concession by the bidder as a substitute for payment in full of the purchase price. **Each bid must be in accordance with, and shall be deemed to incorporate, all of the terms and conditions set forth in this Official Notice of Sale. Bids may (but, except as provided below, need not) be submitted on the bid form provided.**

Each bid must state the aggregate purchase price of the Bonds. Bids must state the interest rate applicable to each maturity thereof. The maximum true interest cost ("TIC") to the District of each bid may not exceed \_\_%, calculated as provided in "TERMS OF SALE—Best Bid" above.

Bids for the Bonds may be delivered by hand or by electronic transmission via \_\_\_\_/Parity.

*[Hand Delivery:* Bids delivered by hand must be on the official bid form attached hereto, signed by the bidder, and enclosed in a sealed envelope addressed to the Treasurer, at the address given on Page 1 of this Official Notice, and clearly marked "Proposal for Los Angeles Unified School District (County of Los Angeles, California) General Obligation Bonds, [Election of \_\_,]Series \_\_ (2014" (or words of similar import). If the sale of the Bonds is canceled or postponed, all sealed bids shall be returned unopened.

*Electronic Transmission:* Solely as an accommodation to bidders, the County will accept bids for the Bonds in electronic form exclusively through [\_\_\_\_\_'s Parity System] ("Parity"). Each bidder submitting an electronic bid understands and agrees by doing so that it is solely responsible for all arrangements with Parity, that the neither the County nor the District endorses or encourages the use of Parity, and that Parity is not acting as an agent of the County or the District. Instructions and forms for submitting electronic bids must be obtained from Parity. Bidders may contact Parity directly at (\_\_\_\_) \_\_\_\_ - \_\_\_\_ or at the Parity website: [https://www.\\_\\_\\_\\_.](https://www.____.)

**WARNINGS:** The County and the District assume no responsibility for ensuring or verifying bidder compliance with Parity's procedures. The County and the District shall be entitled to assume that any bid received via Parity has been made by a duly authorized agent of the bidder. The County, the District, the Financial Advisor and Bond Counsel assume no responsibility for any malfunction of the Parity system, any failure of a bid to be received at the official time, or any error contained in any bid submitted electronically. The official time for receipt of bids will be determined by the County, in consultation with the District, at the place of bid opening, and the County and the District shall not be required to accept the time kept by Parity as the official time. In the event of a malfunction of the Parity system, bidders should submit their bids by hand delivery on the official bid form attached hereto.

**THE COUNTY AND THE DISTRICT RETAIN ABSOLUTE DISCRETION TO DETERMINE WHETHER ANY BID, WHETHER DELIVERED BY HAND OR ELECTRONIC TRANSMISSION, IS TIMELY, LEGIBLE AND COMPLETE.**

*Multiple Bids:* In the event multiple bids are received from a single bidder by any means or combination thereof, the County shall accept the bid representing the lowest TIC to the District, and each bidder agrees by submitting any bid to be bound by such best bid.

Statement of True Interest Cost (TIC): Each bidder is requested, but not required, to state in its bid the total percentage TIC, which shall be considered as informative only and not binding on the bidder, the County or the District.

Good Faith Deposit: A good faith deposit (the "Deposit") in the form of a cashier's check in immediately available funds, or a financial surety bond, in each case in the amount of \$\_\_\_\_\_, payable to the order of the County, is required with each bid to secure the County and the District from any loss resulting from the failure of the bidder to comply with the terms of its bid. If a check is used, it must accompany the bid. If a financial surety bond is used, it must be issued by an insurance company licensed to issue such a bond in the State of California, and such bond must be submitted to the District's Financial Advisor (\_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, CA \_\_\_\_\_; telephone (\_\_\_\_) \_\_\_\_ - \_\_\_\_\_, fax (\_\_\_\_) \_\_\_\_ - \_\_\_\_\_, Attn: \_\_\_\_\_) prior to opening of the bids. The financial surety bond must identify the bidder whose Deposit is guaranteed by such financial surety bond, and the County and the District assume no responsibility for any failure of a financial surety bond to list any bidder or to be received on a timely basis as described in the preceding sentence. If the Bonds are awarded to a bidder submitting a financial surety bond, then said successful bidder is required to submit its Deposit to the \_\_\_\_\_ in the form of a cashier's check (meeting the requirements set forth above) or by wire transfer not later than 3:00 p.m. on the next business day following the award. If such

Deposit is not received by that time, the financial surety bond shall be drawn by the District to satisfy the Deposit requirement. Wiring instructions will be provided to the successful bidder.

The County and the District do not endorse the use of a financial surety bond or any particular financial surety provider. The County will accept a financial surety bond in lieu of a cashier's check under the terms described herein solely as an accommodation to bidders, and it is understood and agreed by each bidder using such a bond that the bidder must make its own arrangements with the provider of the bond, including ensuring that evidence of the financial surety bond is provided to the District's Financial Advisor.

No interest will be paid upon the Deposit made by any bidder. Deposit checks of all bidders (except the successful bidders) will be returned by the County promptly following the award of the Bonds to the successful bidder. The Deposit of the successful bidder will, immediately upon acceptance of its bid, become the property of the County to be held and invested for the exclusive benefit of the District. The principal amount of such Deposit shall be applied to the purchase price of the Bonds at the time of delivery thereof. If the sale of the Bonds is cancelled or postponed, all sealed bids shall be returned unopened.

If the purchase price is not paid in full upon tender of such Bonds, the successful bidder therefor shall have no right in or to the Bonds or to the recovery of its Deposit, or to any allowance or credit by reason of such Deposit, unless it shall appear that the Bonds would not be validly issued if delivered to the successful bidder in the form and manner proposed. In the event of nonpayment by the successful bidder, the amount of the Deposit shall be retained by the District as and for liquidated damages for such failure by the successful bidder, and such retention shall constitute a full release and discharge of all claims by the District against the successful bidder arising from such failure. The County's and the District's actual damages in such event may be greater or may be less than the amount of the Deposit. Each bidder waives any right to claim that the County's and the District's actual damages are less than such amount.

#### Bond Insurance:

Right of Rejection: The County, in consultation with the CFO, reserves the right to reject any and all bids and to waive any irregularity or informality in any bid.

Prompt Award: The Treasurer will take action awarding the Bonds or rejecting bids not later than twenty-six (26) hours after the expiration of the time herein prescribed for the receipt of the bids, unless such time of award is waived by the successful bidder or bidders. Notice of the award will be given promptly to the successful bidder or bidders.

### CLOSING PROCEDURES AND DOCUMENTS

Delivery and Payment: Delivery of the Bonds through the facilities of DTC will be made to each successful bidder in New York, New York, as soon as the Bonds can be prepared, which it is estimated will be on or about \_\_\_\_\_, 2014. Payment for the Bonds must be made in funds immediately available in Los Angeles County, California, on the date of delivery. Any expense of providing immediately available funds, whether by transfer of Federal Reserve Bank funds or otherwise, shall be borne by the successful bidder or bidders. The cost of printing the Bonds will be borne by the District.

Right of Cancellation: Each successful bidder shall have the right, at its option, to cancel its obligation to purchase the Bonds if the Bonds are not executed and tendered for delivery within 60 days from the date of sale thereof, and in such event each successful bidder shall be entitled to the return of its good faith deposit.

CUSIP Numbers and Other Fees: It is expected that each successful bidder will apply for CUSIP identification numbers for the Bonds, and furnish such numbers to Bond Counsel. It is anticipated that such CUSIP numbers will be printed on the Bonds being delivered to DTC, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by any successful bidder to accept delivery of and pay for the Bonds in accordance with the terms and conditions of its bid. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid by the District, but the CUSIP Service Bureau charge for the assignment of such numbers shall be paid by the successful bidder or bidders. The successful bidder or bidders shall also be required to pay all fees required by The Depository Trust Company, New York, New York, the Public Securities Association, the Municipal Securities Rulemaking Board and any other similar entity imposing a fee in connection with the issuance of the Bonds.

California Debt and Investment Advisory Commission Fee: Attention of bidders is directed to California Government Code Section 8856, which provides that the lead underwriter or the purchaser of the Bonds shall be charged any California Debt and Investment Advisory Commission fee payable with respect to the Bonds.

Certification of Reoffering Prices: Each successful bidder shall be required, as a condition to delivery of the Bonds, to provide to the District, in writing, in form and substance satisfactory to the District and to Bond Counsel, a certificate specifying (i) the prices at which the Bonds were offered in a bona fide public offering and, as of the date of award of such Bonds to the successful bidder, prices at which the successful bidder reasonably expected the Bonds to be sold, and (ii) for each maturity of such Bonds the reoffering price at which at least 10% of such Bonds of such maturity were sold to the general public.

Litigation: There is no litigation pending concerning the validity of the Bonds, the corporate existence of the District or the entitlement to their respective offices of the officers of the District who will execute the Bonds and other documents or certificates, or the power of the County to levy and collect taxes on behalf of the District for payment of, and to pay interest and principal on, the Bonds, and the District will furnish to the successful bidder or bidders a no-litigation certificate or certificates certifying the foregoing as of and at the time of the delivery of the Bonds.

Legal Opinion: The legal opinion of Sidley Austin LLP ("Bond Counsel") approving the validity of the Bonds, addressed to the District, will be furnished to the successful bidder upon delivery of the Bonds. Copies of the opinion will be filed with DTC and with the Paying Agent.

Tax Matters: Bond Counsel will render to the District its legal opinion with respect to the exclusion of interest paid on the bonds from gross income for purposes of federal income tax purposes. See the discussion of Tax Matters in the Official Statement hereinafter referred to. In the event that prior to the delivery of the Bonds (a) the income received by private holders from

obligations of the same type and character shall be declared to be includable in gross income (either at the time of such declaration or at any future date) for purposes of federal income tax laws, either by the terms of such laws or by ruling of a federal income tax authority or official which is followed by the Internal Revenue Service, or by decision of any federal court, or (b) any federal income tax law is adopted which will have a substantial adverse tax effect on holders of the Bonds as such, the successful bidder may, at its option, prior to the tender of the Bonds by the County, be relieved of its obligation to purchase the Bonds, and in such case the deposit accompanying its bid will be returned. For purposes of the preceding sentence, interest will be treated as excludable from gross income for federal income tax purposes whether or not it is includable as an item of tax preference for calculating alternative minimum taxes or otherwise includable for purposes of calculating certain other tax liabilities.

Official Statement: The District has authorized the adoption of an official statement relating to the Bonds. A copy of the Preliminary Official Statement will be furnished to bidders upon request to the District's Financial Advisor (\_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, CA \_\_\_\_\_; telephone (\_\_\_\_) \_\_\_\_-\_\_\_\_, fax (\_\_\_\_) \_\_\_\_-\_\_\_\_, Attn: \_\_\_\_\_), or can be obtained at no cost in an electronic version from the \_\_\_\_\_ on its website at www.\_\_\_\_\_. The Preliminary Official Statement is in a form "deemed final" by the issuer for purposes of Securities and Exchange Commission Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in a final Official Statement. The District will furnish to the successful bidder, at no expense to the successful bidders, up to \_\_\_\_ copies of the final Official Statement within 7 business days of the award date.

Official Statement Certificate: The District will provide to each successful bidder for the Bonds a certificate, signed by an official of the District, confirming to each successful bidder that, at the time of the acceptance of the bids for the Bonds and at the time of delivery thereof, to the best of the knowledge of said official, the Official Statement does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading (except for information regarding DTC and its book-entry only system, information provided by the County regarding County investments, information provided by the successful bidder regarding the underwriting, reoffering, and CUSIP identification numbers of the Bonds, and [information regarding any municipal bond insurance policy with respect to the Bonds and the provider thereof], as to all of which no view shall be expressed), and that there has been no material adverse change in the financial condition or affairs of the District which would make it unreasonable for the purchaser of the Bonds to rely upon the Official Statement in connection with the resale of the Bonds.

Continuing Disclosure Certificate: In order to assist bidders in complying with Securities and Exchange Commission Rule 15c2-12(b)(5), the District will undertake, pursuant to a Continuing Disclosure Certificate, to provide certain annual financial information and notices of the occurrence of certain enumerated events. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Final Official Statement. Except as provided in the Preliminary Official Statement, in the previous five years, the District has not failed to comply in all material respects with any previous undertakings with regard to said Rule to provide annual reports or notices of enumerated events.

Ladies and Gentlemen:

The undersigned, \_\_\_\_\_, on its own behalf and as representative (the **"Representative"**) of the Underwriters identified on the signature page hereof (collectively, the **"Underwriters"**), hereby offers to enter into this Bond Purchase Agreement (the **"Purchase Agreement"**) with the County of Los Angeles, California (the **"County"**) and the Los Angeles Unified School District (the **"District"**), which, upon your acceptance hereof, will be binding upon the County, the District and the Underwriters. By execution of this Purchase Agreement, the County acknowledges the terms hereof and recognizes that it will be bound by certain of the provisions hereof, and to the extent binding on the County, acknowledges and agrees to such terms. This offer is made subject to the written acceptance of this Purchase Agreement by the County and the District and delivery of such acceptance to us at or prior to 11:59 PM, California Time, on the date hereof.

**1. Purchase and Sale of the Bonds.**

A. Upon the terms and conditions and in reliance upon the representations, warranties and agreements set forth herein, the Underwriters hereby agree to purchase from the County for reoffering to the public, and the County hereby agrees to sell in the name and on behalf of the District to the Underwriters for such purpose, all (but not less than all) of the District's General Obligation Bonds, [Election of \_\_\_\_\_], Series \_\_\_\_\_ (2014) (the **"Bonds"**) in an aggregate principal amount of \$ \_\_\_\_\_. The Bonds shall be issued in the form of current interest bonds in such principal amounts as set forth in Exhibit A hereto and shall be issued in fully registered form in the authorized denominations of \$5,000 or any integral multiple thereof. The Bonds shall bear interest payable from the date thereof and such interest shall be payable on each January 1 and July 1, commencing \_\_\_\_\_ 1, 20\_\_.

B. The Underwriters shall purchase the Bonds at a price of \$\_\_\_\_\_ (the "Purchase Price") (which represents the aggregate principal amount of the Bonds, [plus/less] net original issue [premium/discount] of \$\_\_\_\_\_, and less Underwriters' discount in the amount of \$\_\_\_\_\_). From the Purchase Price for the Bonds, the Underwriters shall withhold and hereby agree to wire on the Closing Date (as defined below) \$\_\_\_\_\_ in immediately available funds to \_\_\_\_\_, as costs administrator, to pay the costs of issuance of the Bonds as provided in Section 15 of this Purchase Agreement.

C. Any authority, discretion, or other power conferred upon the Underwriters by this Purchase Agreement shall be exercised by the Representative alone.

2. **The Bonds.**

A. The Bonds shall be dated their date of delivery, shall bear interest at the rates, shall mature in the years and amounts and shall have the redemption provisions as set forth in Exhibit A hereto. The Bonds shall otherwise be as described in, and shall be issued and secured pursuant to the provisions of (i) Section 1(b)(3) of Article XIII A of the California Constitution, Chapters 1 and 1.5 of Part 10 of Division 1 of Title 1 of the California Education Code, commencing with Section 15264 (the "**Bond Law**"), (ii) a Resolution of the Board of Education of the District (the "**Board of Education**") adopted on [April 8], 2014 (the "**District Resolution**") authorizing the issuance of not to exceed \$\_\_\_\_\_ of general obligation bonds of the District and (iii) a resolution of the Board of Supervisors of the County (the "**Board of Supervisors**"), adopted on \_\_\_\_\_, 2014, and authorizing the issuance of the Bonds on behalf of the District and certain related documents and actions (the "**County Resolution**" and together with the District Resolution, the "**Resolutions**").

B. Upon the written acceptance of this Purchase Agreement by the County and the District, the Representative, on behalf of the Underwriters, shall deliver, within twenty-four (24) hours of such acceptance, by federal funds wire transfer (to the County's account at a bank having an office located in the State of California and having a demand account relationship with the County and payable in immediately available funds), for the account of the County, the amount of \_\_\_\_\_ Dollars (\$\_\_\_\_\_), as a good-faith deposit ("**Good Faith Deposit**") for the performance by the Underwriters of their obligations to accept and pay for the Bonds at Closing (as defined herein) in accordance with the provisions of this Purchase Agreement. Upon receipt, such amount shall be held by the County pending Closing (except as provided below), although the proceeds thereof may be invested by the County pending the Closing. At the Closing, the Underwriters shall pay or cause to be paid the Purchase Price of the Bonds, less the amount of such Good Faith Deposit, without accrued interest, and thereupon the County shall apply the amount of the Good Faith Deposit, to the payment of the balance of such Purchase Price. In the event of the County's inability to deliver the Bonds at the Closing, or if the County or the District is unable to satisfy the conditions to the Underwriters' obligations contained herein (unless such conditions are waived by the Underwriters), or if the Underwriters' obligations shall be terminated for any reason permitted hereby, the County shall forthwith return the amount of the Good Faith Deposit, without accrued

interest, to the Representative immediately and such return shall constitute a full release and discharge of all claims by the Underwriters against the County and the District arising out of the transactions contemplated by this Purchase Agreement. In the event that the Underwriters fail (other than for a reason permitted hereby) to accept and pay for the Bonds at the Closing as herein provided, the proceeds of the Good Faith Deposit, shall be retained and applied by the County and the District in full and complete liquidated damages (and not as a penalty) for such failure and as a discharge of all damages suffered on the part of the County and the District as a result of such failure.

C. The Bonds shall be executed and delivered under and in accordance with the provisions of this Purchase Agreement, the Bond Law and the Resolutions. The Bonds shall be in definitive form, shall bear CUSIP numbers and shall be in fully registered form, registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC").

3. **Use of Documents.** The District and the County (as appropriate) hereby authorize the Underwriters to use, in connection with the offer and sale of the Bonds, the Resolutions, this Purchase Agreement, a Preliminary Official Statement and an Official Statement (both as defined herein) and all information contained herein and therein and all of the documents, certificates or statements furnished by the District or the County to the Underwriters in connection with the transactions contemplated by this Purchase Agreement.

4. **Public Offering of the Bonds.** The Underwriters agree to make a bona fide public offering of all the Bonds at the initial public offering prices or yields as set forth in Exhibit A hereto. Subsequent to such initial public offering, the Underwriters reserve the right to change such initial public offering prices or yields as they deem necessary in connection with the marketing of the Bonds. [In the event of a direct placement, at or before the Closing, the District and the County shall receive from the purchaser an executed copy of the Investor Letter in substantially the form attached hereto as Exhibit C.]

5. **Review of Official Statement.**

The Underwriters hereby represent that they have received and reviewed the official statement in preliminary form with respect to the Bonds, dated \_\_\_\_\_, 2014 (the "**Preliminary Official Statement**"). Such Preliminary

Official Statement shall be sent by first class mail (or other equally prompt means) or electronic copy posted on an accessible website not later than the next business day following the date upon which each such request is received.

C. The Underwriters agree to file the Official Statement with the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access system within one business day after receipt thereof from the District, but in no event later than the Closing Date (as defined below).

D. References herein to the Preliminary Official Statement and the Official Statement include the cover page through all appendices, exhibits, reports and statements included therein or attached thereto, as the same may be amended or supplemented from time to time.

6. **Closing.**

A. At 8:00 a.m., California Time, on \_\_\_\_\_, 2014, or at such other time or on such other date as shall have been mutually agreed upon by the parties hereto (the "**Closing**," or the "**Closing Date**"), the District will direct the Treasurer and Tax Collector of the County (the "**Treasurer**"), as paying agent for the Bonds (the "**Paying Agent**") to deliver to the account of the Representative, through the facilities of DTC in New York, New York, or at such other place as the District and the Underwriters may mutually agree upon, the Bonds duly executed and in fully registered, book-entry form, and will cause the other documents hereinafter mentioned pertaining to the Bonds to be delivered at the offices of Sidley Austin LLP, Bond Counsel to the District ("**Bond Counsel**") in Los Angeles, California or at such other place as shall have been mutually agreed upon by the parties hereto.

(ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, the application of the proceeds of the sale of the Bonds, or the levy of any taxes contemplated by the County Resolution, or in any way contesting or affecting the validity or enforceability of the Bonds or the County Documents or contesting the powers of the County or its authority with respect to the Bonds or the County Documents; or (iii) in which a final adverse decision could (a) materially adversely affect the operations of the County or the consummation of the transactions contemplated by the County Documents or the Bonds or (b) declare the County Documents or the Bonds to be invalid or unenforceable in whole or in material part;

G. Between the date hereof and the Closing, without the prior written consent of the Underwriters, the County will not have issued in the name and on behalf of the District any bonds, notes or other obligations for borrowed money except for such borrowing as may be described in or contemplated by the Official Statement;

H. Any certificates signed by any officer of the County and delivered to the Underwriters shall be deemed a representation and warranty by the County to the Underwriters, but not by the person signing the same in such person's individual capacity, as to the statements made therein; and

9. **Covenants of the County and the District.** The County and the District respectively covenant and agree with the Underwriters that:

A. The County and the District will furnish such information, execute such instruments, and take such other action in cooperation with the Underwriters if and as the Underwriters may reasonably request in order to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions as the Underwriters may reasonably request, provided, however, that the District and the County shall not be required to consent to service of process in any jurisdiction in which they are not so subject as of the date hereof;

B. The District hereby agrees to deliver or cause to be delivered to the Underwriters, not later than the earlier of (i) the third (3rd) business day preceding the Closing Date or (ii) the seventh (7th) business day following the date this Purchase Agreement is signed, the Official Statement substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Underwriters, the County and the District, (a) in "designated electronic format" (as defined in Rule G-32 of the Municipal Securities Rulemaking Board), and (b) in printed form in such reasonable quantities as may be requested by the Underwriters in order to permit the Underwriters to comply with paragraph (b)(4) of Rule 15c2-12 and with the rules of the Municipal Securities Rulemaking Board;

C. The District hereby agrees to promptly notify the Underwriters of any event or occurrence that may affect the accuracy or completeness of any information set forth in the Official Statement relating to the District until the date which is twenty-five (25) days following the Closing;

D. If at any time prior to the expiration of 25 days following the “end of the underwriting period” (as defined in Rule 15c2-12), any event known to the District or the County relating to or affecting the District, the County or the Bonds occurs which might cause the Official Statement to contain any untrue statement of a material fact or to omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, the District or the County will promptly notify the Underwriters in writing of the circumstances and details of such event. If, as a result of such event or any other event, it is necessary, in the reasonable opinion of Hawkins Delafield & Wood LLP, Disclosure Counsel to the District (“**Disclosure Counsel**”), or the Underwriters, to amend or supplement the Official Statement so that the Official Statement does not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, and if either shall have so advised the District, the District will forthwith cooperate with the Underwriters in the prompt preparation and furnishing to the Underwriters, at the expense of the District, of a reasonable number of copies of an amendment of or a supplement to the Official Statement, in form and substance satisfactory to the Underwriters, which will so amend or supplement the Official Statement so that, as amended or supplemented, it will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading. The District and the County will presume that unless otherwise notified in writing by the Underwriters, the end of the underwriting period will occur on the date of delivery of the Bonds; and

E. To assist the Underwriters in complying with Rule 15c2-12 and for the benefit of the holders and beneficial owners of the Bonds, the District will undertake to provide annual reports and notices of certain events pursuant to a continuing disclosure certificate dated the date of Closing (the “**Continuing Disclosure Certificate**”).

10. **Representations, Warranties and Agreements of the Underwriters.** The Underwriters represent to and agree with the District and the County that, as of the date hereof and as of the date of Closing:

A. The Representative is duly authorized and has been duly authorized by the Underwriters, pursuant to an agreement among the Underwriters (the “**AAU**”), to execute this Purchase Agreement, to act hereunder on behalf of the Underwriters and to take all actions, and waive any condition or requirement, required or permitted to be taken or waived hereunder by the Representative or the Underwriters; and

B. Based on representations in the AAU, the Underwriters have, and have had, no financial advisory relationship (as such term is defined in California Government Code Section 53590) with the District or the County with respect to the Bonds, and no investment firm controlling, controlled by or under common control with any of the Underwriters has or has had any such financial advisory relationship (as such term is defined in California Government Code Section 53590).

11. **Division of Responsibility Between District and County.** It is specifically acknowledged and agreed by and between the District and the County that the County shall have no responsibility or liability to ensure or provide compliance with those provisions of this Purchase Agreement which are to be performed solely by the District and the District shall have no responsibility or liability to ensure or provide compliance with those provisions of this Purchase Agreement which are to be performed solely by the County.

12. **Underwriters Not Acting as Agents, Advisors or Fiduciaries.** The District acknowledges and agrees that the purchase and sale of the Bonds pursuant to this Purchase Agreement is an arm's-length commercial transaction between the District and the Underwriters, and the Underwriters are acting solely as underwriters and principals in connection with the matters contemplated by and with respect to all communications under this Purchase Agreement and are not acting as the agents, advisors or fiduciaries of the District or as the District's advisors in connection with the matters contemplated by this Purchase Agreement. In connection with the purchase and sale of the Bonds, the District has consulted its own legal, financial and other advisors to the extent it has deemed appropriate. The District also acknowledge that it previously received from each of the Underwriters a letter, dated \_\_\_\_\_, 2014, regarding Municipal Securities Rulemaking Board Rule G-17 Disclosures, and that it has provided to the Underwriters acknowledgements of such letters.

13. **Conditions to Closing.** The Underwriters have entered into this Purchase Agreement in reliance upon the representations and warranties of the County and the District contained herein and the performance by the District and the County of their respective obligations hereunder, both as of the date hereof and as of the date of Closing. The Underwriters' obligations under this Purchase Agreement are and shall be subject, at the option of the Underwriters, to the following further conditions at the Closing:

A. The representations and warranties of the County and the District contained herein shall be true, complete and correct at the date hereof and at and as of the Closing, as if made at and as of the Closing, and the statements made in all certificates and other documents delivered to the Underwriters at the Closing pursuant hereto shall be true, complete and correct on the date of the Closing; and the County and the District shall be in compliance with each of the respective agreements made by them in this Purchase Agreement;

B. At the time of the Closing, (i) the District Documents and the County Documents shall be in full force and effect and the Resolutions and the Official Statement shall not have been amended, modified or supplemented except as may have been agreed to in writing by the parties hereto; (ii) all actions under the Bond Law which, in the opinion of Bond Counsel, shall be necessary in connection with the transactions contemplated hereby, shall have been duly taken and shall be in full force and effect; (iii) the County and the District shall have adopted, and there shall be in full force and effect such additional resolutions, agreements, opinions and certificates (including such certificates as may be required by regulations of the Internal Revenue Service in order to establish the tax exempt character of the interest on the Bonds), which resolutions, agreements, opinions and certificates shall be satisfactory in form and substance to Bond Counsel to the District and to the Underwriters, and there shall have been taken in

connection therewith and in connection with the execution and delivery of the Bonds all such actions as shall, in the reasonable opinion of each, be necessary in connection with the transactions contemplated hereby; (iv) all actions under the Resolutions which, in the opinion of Bond Counsel to the District, shall be necessary in connection with the transactions contemplated hereby, shall have been duly taken and shall be in full force and effect; (v) the Bonds shall have been duly authorized, executed and delivered; and (vi) the District and the County shall perform or have performed all of their respective obligations required under or specified in the District Documents and the County Documents to be performed at or prior to the Closing;

C. No decision, ruling or finding shall have been entered by any court or governmental authority since the date of this Purchase Agreement (and not reversed on appeal or otherwise set aside), or to the best knowledge of the County or the District, be pending (in which service of process has been completed against the County or the District) or threatened which has any of the effects described in Section 7. F. or 8. F. hereof or contests in any way the completeness or accuracy of either of the Official Statement;

D. Between the date hereof and the Closing, the market for or the market price or marketability of the Bonds or the ability of the Underwriters to enforce contracts for the sale of the Bonds at the initial offering prices set forth in the Official Statement, shall not have been materially adversely affected by reason of any of the following:

(i) by or on behalf of the United States Treasury Department, or by or on behalf of the Internal Revenue Service or other federal or State authority, which would have the purpose or effect of changing, directly or indirectly, the federal income tax consequences or State tax consequences of interest on obligations of the general character of the Bonds in the hands of the holders thereof; or

(ii) by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, to the effect that the Bonds, or obligations of the general character of the Bonds, including any and all underlying arrangements, are not exempt from registration under the Securities Act of 1933, as amended, or that the Resolutions are not exempt from qualification under the Trust Indenture Act of 1939, as amended;

(5) an order, decree or injunction of any court of competent jurisdiction, or order, filing, regulation or official statement by the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, as contemplated hereby or by the Official Statement, is or would be in violation of the Federal securities laws, as amended and then in effect or any proceeding shall have been commenced, against the District or the County, in connection with Bonds or obligations of the general character of the Bonds of the District or the County, by the Securities and Exchange Commission or other governmental agency having jurisdiction over the issue, offering or sale thereof;

(6) any rating of the Bonds or other debt obligations of the District has been downgraded, suspended or withdrawn by a national rating service or a negative qualification (e.g., "credit watch" or "negative outlook" designation) or other announcement made by a national rating service that the Bonds or other debt obligations of the District are under review without indication of a potentially favorable result, which, in the reasonable opinion of the Representative, materially adversely affects the marketability or market price of the Bonds;

(7) any event occurring, or information becoming known which, in the reasonable judgment of the Underwriters, makes untrue in any material adverse respect any statement or information set forth in the Official Statement, or has the effect that the Official Statement contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading; or

(8) except as disclosed in or contemplated by the Official Statement, any material adverse change in the affairs of the District.

**FORM OF PLACEMENT AGENT AGREEMENT**

§ \_\_\_\_\_  
LOS ANGELES UNIFIED SCHOOL DISTRICT  
(County of Los Angeles, California)  
General Obligation Bonds, [Election of \_\_\_\_] Series \_\_\_\_

PLACEMENT AGENT AGREEMENT

\_\_\_\_\_, 2014

Treasurer and Tax Collector  
of the County of Los Angeles

Ladies and Gentlemen:

The undersigned, \_\_\_\_\_ (the "Placement Agent"), offers to enter into the following agreement (this "Agreement") with the County of Los Angeles (the "County") and the Los Angeles Unified School District (the "District"), which, upon acceptance by the County and the District, will be binding upon the County, the District and the Placement Agent.

Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Placement Agent, the County and the District hereby agree as follows:

1. Appointment of Placement Agent; Placement of Bonds. (a) The County, in consultation with the District, hereby appoints the Placement Agent to act as the exclusive placement agent for the County in connection with the private sale and issuance of its Los Angeles Unified School District (County of Los Angeles, California) General Obligation Bonds, [Election of \_\_\_\_] Series \_\_\_\_ (2014) (the "Bonds"), and the Placement Agent hereby accepts such appointment. The Bonds shall be issued and secured pursuant to the provisions of Section 1(b)(3) of Article XIII A of the California Constitution, Chapter 1.5 of Part 10 of Division 1 of Title 1 of the California Education Code, commencing with Section 15264, a Resolution of the Board of Supervisors of the County adopted on \_\_\_\_\_, 2014 (the "County Resolution") and a Resolution of the Board of Education of the District adopted on [April 8], 2014 (the "District Resolution") authorizing the issuance of not to exceed \$ \_\_\_\_\_ of general obligation bonds of the District. As compensation for its services hereunder, the Placement Agent shall charge a fee equal to \$ \_\_\_\_\_. At the closing of any such sale, the District shall pay or cause to be paid such fee to the Placement Agent by wire transfer or immediately available funds. The above fee does not include any services the Placement Agent may render in the future to the County or the District with respect to any offering or placement of municipal securities other than the Bonds.

(b) The County and the District will provide the purchaser of the Bonds (the "Purchaser") with the opportunity to ask questions and receive answers, and the County, in consultation with the District, will enter into a bond purchase agreement (the "Bond Purchase Agreement") with such Purchaser setting forth the terms and conditions of the sale and purchase of the Bonds. Copies of the reports and other documents that have been furnished to the

Placement Agent by the District in connection with the proposed offer and sale of the Bonds are listed in Exhibit A hereto (it being understood that, prior to the consummation of any sale of the Bonds, Exhibit A may be supplemented from time to time as mutually agreed by the parties hereto). The District hereby authorizes the Placement Agent to use such reports and documents in connection with the placement of the Bonds.

(c) The County understands that the Placement Agent will be acting as the agent of the County in the offering and sale of the Bonds and agrees that, in connection therewith, the Placement Agent will use its "best efforts" to place the Bonds. This Agreement shall not give rise to any expressed or implied commitment by the Placement Agent to purchase or place any of the Bonds.

(d) The County and the District acknowledge and agree that, in arranging for approved buyers to purchase the Bonds, the Placement Agent is not acting as the fiduciary of the County or the District and has not assumed an advisory or fiduciary responsibility in favor of the County or the District. In connection with such transaction, the District has consulted its own legal and financial advisors to the extent it deemed appropriate. The County and the District agree that they will not claim that the Placement Agent has rendered advisory services of any nature or respect, or owe a fiduciary or similar duty to the County or the District in connection with such transaction or the process leading thereto. The Placement Agent is not acting as a municipal advisor as defined in Section 15B of the Securities Exchange Act of 1934, as amended, in connection with the matters contemplated by this Agreement.

2. Covenants, Representations and Warranties of the District. The District represents, warrants and agrees as follows:

(a) the District is, and will be at the Closing Date (as defined herein), a duly organized, validly existing and operating school district pursuant to the laws of the State of California (the "State") with full power and authority to observe and perform the covenants and agreements set forth in this Agreement;

(b) by official action of the District, prior to or concurrently with the acceptance hereof, the District (i) has duly adopted the District Resolution authorizing and approving the execution and delivery of this Agreement, and the performance of its obligations contained herein, and (ii) such District Resolution is in full force and effect and has not been amended or supplemented as of the date hereof;

(c) the execution and delivery of this Agreement and compliance with the provisions on the District's part contained therein do not and will not conflict with or constitute a breach of or default under any law, administrative regulation, judgment, decree, statute, indenture, mortgage, deed of trust, bond, note, resolution, agreement or other instrument to which the District is a party or by which the District is bound;

(d) any certificate signed by an authorized officer of the District and delivered to the Placement Agent shall be deemed a representation and warranty by the District in connection with this Agreement to the Placement Agent as to the statements made therein for the purposes for which such statements are made;

(e) the District represents that the Bonds are exempt from registration pursuant to the Securities Act of 1933, as amended, and the Resolution is exempt from qualification as an indenture pursuant to the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act"); and

(f) the District agrees promptly from time to time to take such action as the Placement Agent may reasonably request to qualify, if such qualification is necessary, the Bonds for offering and sale as a private placement under the securities laws of such states as the Placement Agent may reasonably request, and the District further agrees to comply with such laws so as to permit such offers and sales. Any applicable filings will be prepared by the District's counsel, whose fees and disbursements in connection therewith shall be for the account of the District.

3. Payment and Delivery of Bonds. The Bonds shall be dated the date of delivery, shall bear interest at the rate(s), shall be payable on the dates, shall mature on the date(s) and shall be subject to redemption prior to their maturity all as set forth in the Bond Purchase Agreement. At 8:00 a.m., Pacific time, on the date of delivery of the Bonds as set forth in the Bond Purchase Agreement or at such other time or on such other date as shall have been mutually agreed upon by the District, the Placement Agent and the Purchaser (the "Closing Date"), the District will deliver or cause to be delivered to, or to the direction of, the Placement Agent through the facilities of The Depository Trust Company ("DTC") in New York, New York, or at such other place as the District and the Placement Agent may mutually agree upon, the Bonds in fully registered book-entry form, duly executed, bearing CUSIP numbers, in authorized denominations, and registered in the name of Cede & Co., as nominee of DTC, and shall cause each certificate, document, instrument and opinion required to be delivered pursuant to the Bond Purchase Agreement to be delivered at the offices of Sidley Austin LLP, Bond Counsel to the District, in Los Angeles, California; and, subject to the conditions of this Agreement, the Placement Agent will cause payment to be made of the purchase price thereof as set forth in the Bond Purchase Agreement in immediately available funds (by wire transfer or such other manner of payment as the Placement Agent and the District shall reasonably agree upon) payable to the order of the District. The District acknowledges that the Placement Agent is causing such payment to be made as an accommodation to the District, and the Placement Agent is under no obligation to purchase the Bonds.

The obligation of the Placement Agent to cause payment for the Bonds to be made on the Closing Date shall be subject, at the option of the Placement Agent, to the District entering into the Bond Purchase Agreement with respect to all (but not less than all) of the \$\_\_\_\_\_ aggregate principal amount of the Bonds, to the accuracy in all material respects of the representations, warranties and agreements on the part of the District contained herein and in the Bond Purchase Agreement as of the date hereof and as of the Closing Date, to the accuracy in all material respects of the statements of the officers and other officials of the District made in any certificates or other documents furnished pursuant to the provisions of the Bond Purchase Agreement, to the performance by the District and, with respect to the Bond Purchase Agreement, the Purchaser of their respective obligations to be performed hereunder and under the Bond Purchase Agreement at or prior to the Closing Date, to the delivery of each certificate, document, instrument and opinion required by the Bond Purchase Agreement, and any termination of the obligation to purchase the Bonds pursuant to the Bond Purchase Agreement.

[Covenants and representations of the County to be added as approved by the County's Board of Supervisors]

4. Reliance. The County and the District recognize that, in providing services under this Agreement, the Placement Agent will rely upon and assume the accuracy and completeness of the financial, accounting, tax and other information discussed with or reviewed by the Placement Agent for such purpose, and the Placement Agent does not assume responsibility for the accuracy and completeness thereof. The Placement Agent will have no obligation to conduct any independent evaluation or appraisal of the assets or the liabilities of the District or any other party or to advise or opine on related solvency issues. Nothing in this Agreement is intended to confer upon any other person (including creditors, employees or other constituencies of the District) any rights or remedies hereunder or by reason hereof.

5. Termination. The Placement Agent's authorization to carry out its duties hereunder may be terminated by the District or the Placement Agent at any time with or without cause, effective upon receipt of written notice to that effect by the other party.

6. Notices. Any notice or other communication to be given to any of the parties to this Agreement may be given by delivering the same in writing to the County at: Treasurer and Tax Collector of the County of Los Angeles at 437 Kenneth Hahn Hall of Administration, 500 West Temple Street, Los Angeles, California 90012; to the the District at: 333 S. Beaudry Avenue, 26th Floor, Los Angeles, California 90017, Attention: Chief Financial Officer; and to the Placement Agent at: \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, California \_\_\_\_\_; Attention: \_\_\_\_\_.

7. Survival of Representations, Warranties and Agreements. This Agreement is made solely for the benefit of the County, the District and the Placement Agent, and no other person shall acquire or have any right hereunder or by virtue hereof. All of the representations, warranties and agreements of the District contained in this Agreement shall remain operative and in full force and effect regardless of delivery of any payment for the Bonds.

8. Severability. In the event any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

9. Counterparts. This Agreement may be executed [by facsimile transmission and] in several counterparts, each of which shall be regarded as an original and all of which shall constitute one and the same document.

10. Effectiveness. This Agreement shall become effective upon the execution of the acceptance hereof by a duly authorized signatory of the County and the District, which acceptances hereof shall be indicated on the signature page hereof, and shall be valid and enforceable as of the time of such acceptance.

11. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

### BOARD REPORT

**Action Proposed:** The Board is requested to:

- (1) approve the attached Resolution for General Obligation Bonds, Series 2014 (Attachment A) (the "Resolution") that, among other things, authorizes the General Obligation Bonds, Series 2014 (the "Bonds") in one or more series to be sold via a competitive, negotiated or private placement method of sale;
- (2) approve the appointment of Tamalpais Advisors, Inc.—KNN Public Finance, A Joint Venture, as Financial Advisor; Sidley Austin LLP, as Bond and Tax Counsel; and Hawkins, Delafield & Wood LLP, as Disclosure Counsel in connection with the Bonds to be sold pursuant to the Resolution;
- (3) approve the forms of documents necessary for issuance of the Bonds;
- (4) approve and direct certain actions to be taken in connection with issuance of the Bonds;
- (4) review the information to be disclosed pursuant to AB 1482; and
- (5) authorize the Budget Services and Financial Planning Division to make the necessary budget adjustments to reflect the anticipated bond receipts.

**Background:**

On March 19, 2013, the Board adopted Board Report #227-12/13 which authorized the issuance of the Bonds and approved the forms of transaction documents related to issuance of the Bonds. Board Report #227-12/13 authorized the issuance of the Bonds through March 18, 2014. It has taken longer than one year for the District, ITD, Facilities and Finance to develop and complete the near-term funding needs, contracts, timing of cash flows

and necessary due diligence for the very complex Common Core Technology Project, in particular. Thus, no bonds have been issued under the Board Report #227-12/13. It is expected that issuance will be needed within a year of this Board Report. Accordingly, the Board is being asked to approve the extension for the issuance of Bonds for another year. This Board Report seeks Board approval of the Resolution which extends the term for issuing the Bonds to April 7, 2015. The Resolution and Resolution adopted under Board Report #227-12/13 are identical in all material respects other than having different expiration dates; in addition, minor confirming changes were made to the Resolution regarding the year in which Bonds would be issued.

Of the \$677,970,000 of maximum issuance, a portion in the amount of \$235,205,000 represents the entire amount of unissued bonds pursuant to the Measure R bond authorization and a portion in the amount of \$442,765,000 represents the entire amount of unissued bonds pursuant to the Measure Y bond authorization. Any proceeds of the Bonds must be spent only on projects eligible under the respective Measure R and Measure Y bond authorizations. The Resolution authorizes the sale of the Bonds on a competitive, negotiated or private placement basis, as determined by the Chief Financial Officer and Controller. The Resolution further authorizes the Chief Financial Officer and Controller, in accordance with the procedures established in the Debt Management Policy, to select the members of the underwriting team from the underwriter bench, should a negotiated sale be determined to be in the best interests of the District. The proposed financial advisor is a member of the financial advisor bench and the proposed bond counsel, tax counsel and disclosure counsel are members of the finance counsel bench. In addition, the Resolution authorizes the Chief Financial Officer and Controller to carry out all necessary acts related to the transaction.

In addition, the estimated costs of issuance and underwriting are provided to the Board for review pursuant to AB 1482. A table containing these estimated costs is enclosed as Attachment B.

The Bonds constitute the first new money general obligations bonds to be issued by the District since the \$4.0 billion of issuance in Fiscal Year 2009-10. The Resolution will be in place to allow the District to access the market as promptly as possible.

**Expected Outcomes:** Approval will enable the District to finance identified capital projects and to take advantage of low interest rates on its general obligation bonds in the

### Board of Education Report

current market.

- Board Options and Consequences:** Should the Board not approve this item, staff will not be authorized to proceed with the issuance of the Bonds to finance identified capital projects.
- Policy Implications:** This action is in compliance with the relevant criteria set forth in Article 1 and Sections 3.02, 4.08 and 4.12 of the Debt Management Policy.
- Budget Impact:** No impact on the District's General Fund. Debt service on the Bonds will be supported by *ad valorem* property tax levies paid by District taxpayers and not by the District's General Fund.
- Issues and Analysis:** This Board Report seeks Board approval of a resolution for issuance of general obligation bonds in an amount not-to-exceed \$677,970,000, the appointment of the financial advisor and bond, tax and disclosure counsels for the bonds, and the forms of documents related to such bonds.

Subject to a determination by the Chief Financial Officer, any Authorized Officer may request the County Treasurer to invest funds held in the Interest and Sinking Fund of the District and in the Building Fund of the District in specific Investment Agreements. Pursuant to Section 5922 of the Government Code, this Board of Education hereby finds and determines that the Investment Agreements will reduce the amount and duration of interest rate risk with respect to amounts invested pursuant to the Investment Agreements and are designed to reduce the amount or duration of payment, rate, spread or similar risk or result in a lower cost of borrowing when used in combination with the Bonds or enhance the relationship between risk and return with respect to investments of proceeds of the Bonds and funds held to pay the Bonds. Subject to a determination by the Chief Financial Officer, any Authorized Officer may request the County Treasurer to deposit any investment of all or any portion of the building fund or the Interest and Sinking Fund of the District pursuant to California Education Code Section 41015 in accordance with the instructions of the Authorized Officer and California Education Code Section 41016.

(c) Any excess proceeds of the Bonds on deposit in the Building Fund not needed for the authorized purposes set forth herein for which the Bonds are being issued shall be transferred to the Interest and Sinking Fund and applied to the payment of principal of, premium, if any, and interest on the Bonds; provided, however, that when all of the principal of and interest on all of the Bonds have been paid, any balance then remaining in said fund shall be transferred to the general fund of the District as permitted and provided for in Section 15234 of the Education Code.

#### **SECTION 17. Tax Covenants.**

(a) General. The District shall not take any action, or fail to take any action, or permit any action to be taken on its behalf or cause or permit any circumstances within its control to arise or continue, if such action or inaction would adversely affect the exclusion from gross income of the interest payable on the Tax-Exempt Bonds under Section 103 of the Code. In furtherance of the foregoing, the District shall comply with the provisions of the respective tax certificates to be executed and delivered by the District in connection with the issuance of the Bonds comprising Tax-Exempt Bonds (each, a "Tax Certificate").
